Hey People!!

We hope you all are prepped up for the big day tomorrow. As we hand down the baton to you guys, we hope that you all will work towards leading our college to greater heights.

You shall be given 5 minutes to talk about yourself and why you need to be elected leaders. Post your talk, the floor shall be opened up for debating and questionnaires.

You all are expected to prepare a brief yearly plan as well, and present it tomorrow, during the elections. You all can make a PPT and present it.

I also request you all to be dressed in a proper manner and be present at sharp 10:00 AM in studio 1.

Good luck! 😊

Hello People!!

I, on behalf of the entire council, would like to congratulate the candidates for successfully campaigning and contesting for their respective posts, as everyone has done a great job on their part.

To all those who didn't make it to the post you desired, don't lose hope or be disheartened as you guys still have the opportunity to prove yourself and contribute as various other Cell heads and Club heads, as even those posts require you.

Congratulations **Samanyu Shukla** for President and **Sairaj Likhith** for Secretary! ☺

Thank you,  
Swathi K
